A UEI is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards.

***Note: As of April 2022, a DUNS number is no longer required for federal assistance applications.***

The 2 CFR 200 requires that sub-grantees obtain a UEI number. Please note the UEI for sub-grantees is not required at the time of application but will be required before an award is processed and/or directed to a sub-grantee.

***Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.***

- Organizations **based in the United States** or that pay employees within the United States will need an Employer Identification Number (EIN) from the Internal Revenue Service (IRS), and a UEI number prior to registering in SAM.gov.

- **Please note that as of November 2022 and February 2022 respectively, organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code or CAGE code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove a CAGE or NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket (“incident”) with the Federal Service Desk (FSD) online at [www.fsd.gov](http://www.fsd.gov) using the following language: “I do not intend to seek financial

assistance from the Department of Defense. I do not wish to obtain a CAGE or NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Organizations based outside of the United States and that DO plan to do business with the DoD in addition to Department of State should follow the below instructions:

Step 1: Apply for an NCAGE code by following the instructions on the NSPA NATO website linked below:

[NCAGE Code Request Tool \(nato.int\)](https://nato.int/ncage)

### **Exemptions**

An exemption from the UEI and sam.gov registration requirements may be permitted on a case-by-case basis if:

- An applicant’s identity must be protected due to potential endangerment of their mission, their organization’s status, their employees, or individuals being served by the applicant.
- For an applicant, if the Federal awarding agency makes a determination that there are exigent circumstances that prohibit the applicant from receiving a unique entity identifier and completing SAM registration prior to receiving a Federal award. In these instances, Federal awarding agencies must require the recipient to obtain a unique entity identifier and complete SAM registration within 30 days of the Federal award date.

## H. OTHER INFORMATION

**Personnel:** Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

**Travel:** Estimate the costs of travel and per diem for this program. If the program involves international travel, include a brief statement of justification for that travel.

**Equipment:** Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$5,000 per unit.

**Indirect Costs:** These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a

Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 10% of the modified total direct costs as defined in 2 CFR 200.68.

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Consulate General Hong Kong & Macau. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages under any circumstances.
